

AMADOR

F O O T H I L L

2010 SEMILLON

The Vineyard

Planted in 1981, our estate Semillon is from the historic Wente clone, which was originally brought to California in the 1880s from Chateau d'Yquem.

Winemaker Notes

Our Semillon was fermented and aged in stainless steel. With a citrusy aroma and bright lemon and peach flavors, the wine is light on the palate. In our hands, Semillon has excellent ageing potential.

Technical Data

Composition:	100% Semillon
Harvested:	September 20, 2010
Brix at Harvest:	19.6
Appellation:	Shenandoah Valley, CA
